

IN THE DRAWINGS:

Kindly replace Figure 14(a) with the attached replacement Figure 14(a). In the replacement Figure 14(a) attached hereto, the first step (1) taken by the deliveryman has been added, which is entitled "Request Reservation of Delivery Box".

REMARKS

The Examiner is thanked for a very thorough and detailed Office Action, and for the recommendations for amendment therein. Pursuant to that Office Action, Claim 1 has been rewritten to more definitely set forth the invention and obviate the objection, as recommended by the Examiner. Further, the Specification has been amended in accordance with the Examiner's suggestions. Support for the amendment of paragraph 1 on page 24 can be found in the Specification on page 41, first paragraph. In addition, replacement Figure 14(a) has been provided herewith. The present amendment is deemed not to introduce new matter. Claims 1-14 are in the application.

Reconsideration is respectfully requested of the objection to the drawings.

As discussed above, a replacement Figure 14(a) has been provided herewith. In said replacement Figure 14(a), step (1) has now clearly been illustrated. In particular, it is now stated that step (1) includes "request reservation of delivery box" by the deliveryman. In view of this amendment to Figure 14(a), it is believed that the objection is now moot. Withdrawal of the objection is accordingly respectfully requested.

Reconsideration is respectfully requested of the objection to the Abstract.

The abstract has been amended above, so as to limit the length thereof to under 150 words. It is believed that, in view of these amendments, the objection is now moot. Withdrawal of the objection is accordingly respectfully requested.

Reconsideration is respectfully requested of the objection to the Specification.

As shown above, the Specification has been revised in accordance with the Examiner's suggestions. In view of these amendments, it is believed that the objection is now moot. Withdrawal of the objection is accordingly respectfully requested.

Reconsideration is respectfully requested of the objection to Claim 1.

Claim 1 has been amended herein in accordance with the Examiner's suggestions, to as to overcome the informalities pointed out the by the Examiner in the instant Office Action. In particular, the "navigation execution means" portion of the claim has been amended to now more clearly define same. In view of these amendments, it is believed that the objection is now moot. Withdrawal of the objection is accordingly respectfully requested.

In view of the Examiner's comments in paragraph 5 on page 4 of the instant Office Action, as all of the Examiner's objections have now been addressed and are believed to have been rendered moot, it is believed that all claims herein are now in condition for allowance. Thus, it is respectfully submitted that the application is now in condition for allowance, and early action and allowance thereof is accordingly respectfully requested. In the event there is any reason why the application cannot be allowed at the present time, it is respectfully requested that the Examiner contact the undersigned at the number listed below to resolve any problems.

Respectfully submitted,
